Saint Albans, WV 25177

Dear Rick;

On behalf of the National Wild Turkey Federation , the Division of Natural Resources Law Enforcement Section, and the City of Barboursville I wish to commend you for the excellent air rifle program you and your assistant present each year at our annual J.A.K.E.S. Day Event held at the Barboursville City Park Complex. I have received nothing but positive comments about your program from both the kids and their parents.

I consider your volunteer non-profit air rifle program a vital key in the tremendous success of the annual J.A.K.E.S. Day Event. As a 30+year veteran law enforcement officer I wholeheartedly support your efforts to educate not only our young people but also adults as well on air rifle safety and the good wholesome family fun they can provide.

Again, my congratulations on an outstanding air rifle program and your dedicated efforts to educate our young people.

Thank You,

Captain Stephan D. Stewart
WVDNR-Law Enf. Sec.
J.A.K.E.S. Event Coordinator
